ODOR PROTECTION

WHY

EXOGLOSS

?

FACTORY PAINT IS ABOUT THE THICKNESS OF A SHEET OF PAPER.

When environmental hazards like Bugs, Tree Sap and Hard Water etch into your paint – you may be removing the very component protecting your car's surface.

FACTORY PAINT IS THE MOST EXPENSIVE COMPONENT ON A VEHICLE TODAY.

The condition of the paint (curb appeal) dramatically affects the resale value of the vehicle. Protect your investment

Interior Stains along with Rip, Burns and Tears will reduce the trade-in value of your vehicle. EXOGloss Interior will protect surfaces from accidental food spills, diaper spills, and pet stains.

EXOGLOSS

- ▶ Will reduce the maintenance time and expense on your vehicle - Allowing you to have a better experience of ownership.
- ▶ Will provide warranty coverage will provide unlimited repairs for covered items with \$0 deductible
- ▶ Claims managed through our proprietary APP that connects you directly to one of our friendly technicians

EXTERIOR + INTERIOR PROTECTION

THE FINEST NAME IN AUTOMOTIVE CHEMICAL SEALANTS

Service, when needed, is just a few clicks away 24/7. Claims can also be made by calling (877) GO-GLOSS.

EXOGLOSS

APPEARANCE PROTECTION

Because Looks DO Matter.

Exterior Protection:

- Forms a clear, protective barrier to seal out oxidation, pollutants and ultraviolet rays
- Also covers new vehicles against acid rain, tree sap, love bugs and road salt
- Helps the vehicle retain its value and good looks for years to come

Interior Protection:

- Repels water-based and oil-based spills
- Reduces fading, discoloration, and every day wear and tea
- Also covers small rips, tears, and burns
